

Hottenstein Lines

May 2012

Hottenstein Lines is a newsletter of the Hottenstein Reunion for and about the descendants and many lines of ancestry of Ernst Von Hottenstein of Esslingen, Germany and descendants who immigrated to America. Presently, three immigrant lines are identified: Johann Jacob Hottenstein settled in Kutztown, PA, his nephew also Johann Jacob Hottenstein settled in Lancaster, PA, and a descendant Phillip J. Hottenstein settled in Gleason, WI. It is a newsletter that will be what we as descendants, spanning twelve (12) generations, make it. It is a newsletter to share the items of interest about our family and information about our annual reunion. At least one newsletter each year will announce the date and location of our annual reunion; additional newsletters will be prepared as information is developed or available. Your suggestions and articles are welcomed.

2012 Hottenstein Reunion Picnic to be Sunday, June 10th, at the Hottenstein Mansion, Kutztown

The 76th Hottenstein Reunion, the family picnic gathering, will be held on Sunday, June 10, 2012 at Hottenstein Mansion, on Route 222, east of Kutztown, Pennsylvania. The Reunion will begin in the morning, with the catered picnic and strawberries, shortcake, & ice cream, to be served at 1:00 PM. All are welcome.

Dr. Robert Reynolds, and his family to the Mansion, have invited us to gather at the Hottenstein Mansion which he describes as the home of the Hottenstein family. We will be the guests of Dr. Reynolds, his family, and the Historic Preservation Trust for Berks County. Dr. Reynolds is the curator of the Mansion; it is the home for him and his family.

In addition to visiting the Hottenstein Mansion, we will have the catered Family Picnic on Sunday at the Mansion. Arrangements are being made for a tent and shelter. This is a time when family members are able to visit, share experiences, and socialize. During this time, we will have our Reunion business meeting. Dr. Reynolds and his family will explain the home, period furniture, and Hottenstein artifacts displayed for the Reunion.

The restoration of the Doctor's Office will be featured this year. Please refer to the accompanying article on the 1867 Doctor's Office.

Plan to arrive in the morning to visit the Mansion; our picnic begins at 1:00 PM. The program and activities follow our picnic. Dr. Reynolds will update us on his role as curator and living in the Mansion with his family. Dr. Reynolds is the Freyberger Professor of Pennsylvania German Culture at Kutztown University, which includes the role of curator of the Pennsylvania Heritage Cultural Center.

Restoration of 1867 Doctor's Office Completed, Featured at the Reunion

In the fall of 2011, students from the Conservation of Material Culture Studio taught by Dr. Reynolds at Kutztown University, restored the mill work in the Doctor's Office. In this process, a student scraping the siding discovered that W. Hottenstein scribed his initials on a rear clapboard with the date July 23, 1867. It appears reasonable that the building was under construction at that date. The building is thus dated.

The building had deteriorated significantly over many years. There were four entry points in the siding chewed by squirrels to access nesting and nut storage areas in the walls.

2012 Hottenstein Reunion Picnic to be Sunday, June 10th, at the Hottenstein Mansion, Kutztown

... continued from the previous page

The Reunion is a time when we can meet others in our family, share experiences and memories, have mini reunions, review/update our genealogy. We appreciate letters from those who cannot attend.

For additional information on the Reunion, please contact Russel Hottenstein at 610/944-8167 or Terry Schnure at 860/683-2385.

Picnic Arrangements, June 10th, Reservations ...

We hope you will be able to attend. Please use the enclosed (yellow) return form with the mailing label to indicate your participation.

Cost for the Reunion picnic, to cover our expenses (including the catered picnic meal, tent and equipment rentals, and shuttle transportation) will be as follows:

Adults	\$ 22.00
Youth	\$ 15.00 (10 yrs thru 17 yrs)
Children	No Fee (9 yrs and younger)

The reservation mail deadline is Wednesday, June 6th. For late reservations (which can be accommodated) after June 6th, please contact:

2011 Reunion in Pictures ...

Attending their first Hottenstein Reunion

Restoration of 1867 Doctor's Office Completed, Family Members & Friends Contributions Funded Façade Rebuilding

... continued from the previous page

Approximately 90% of the extant paint required removal with a carbide scraper. The completed scope of work had three components. The restoration of the siding included scraping, sanding, consolidating rot, replacing missing or rotten siding, making wood epoxy repairs to broken siding, caulking, more priming, and applying two coats of finish painting. The stepped front gable was taken down and rebuilt with new copper flashing, the front corner boards were replaced, and the door was repaired by Red Oak Restorations.

Stripped of the siding, it was evident that some of the window framing was made of conventional two by four studs replaced most likely in the 1960s restoration by David F. Hottenstein. The 1960s false front replacement was made by extending siding above the gable roof line.

In the the carpentry restoration of the Doctor's Office, the false front was rebuilt with matching siding; copper was used as flashing up the back of the parapet and over the top of the moldings on the top to protect them from the weather. A rotted out four light window that lights the attic was replaced with a similar window glazed in wavy glass. The door bottom was squirrel chewed and was repaired and made to fit the opening, new door trim was installed and new front corner boards were milled with the correct corner bead detail as evidenced on the rear corner boards.

Contributions from Hottenstein family members and friends of \$2265 through the Historic Preservation Trust of Berks County were used toward the cost of rebuilding the façade. As more funds become available electricity will be added to the building. The building now serves as my office and library, an adaptive reuse making it a "doctor's office" again.

Susan Sperios and Rob Reynolds

Reunion Location, Parking & Logistics

... Arriving on Sunday, June 10th

The Hottenstein Mansion is located on a parcel which does not have sufficient space for all to park. Arrangements have been made for parking at a church on Hottenstein Road, about a half mile from and north of the Hottenstein Mansion. Hottenstein Road is adjacent to the Mansion location and intersects with Route 222. Please look for signs with directions to the parking location. Wagon transportation from the parking area to the Mansion, will begin at 11:00 AM.

Handicapped parking will be provided at the Hottenstein Mansion.

The street address of the Hottenstein Mansion is 15441 Kutztown Road, Kutztown, Pennsylvania 19530-9349.

For assistance with lodging locations, please contact Terry Schnure or Russel Hottenstein.

... If arriving on Saturday, June 9th

Those arriving on Saturday, June 9th and those in the area wishing to dine together on Saturday evening, will gather at 6:30 PM at a place to be determined. Please check the box on the reservation form if attending to assist in organizing this dinner; you will be contacted.

2011 Reunion in Pictures ...

Ruth Anspach Smith' children: Rosemary Spagnola, Ruthclara Miller, Sylvia, Talmage, and William Smith, at the Reunion

Contributions to the Historic Trust Directed to Mansion Projects

In 2011, Reunion family members and friends contributed \$1,800 to the Historic Preservation Trust of Berks County in support Reunion program for the assisting in the restoration of the Mansion.

A next area of attention will be to solve a complex water issue that is affecting the house; it involves an area of the mansion

exterior in the rear where the covered rear patio that links the summer kitchen to the house connects to the house. Water falling from the main roof to the patio's shed roof is soaking the rear corner of the house. The patio shed roof is flashed into the stonework of the house and the flashing is failing. This water issue appears to have been a long term problem. The result of this water leakage is damage to the interior plaster of the first floor bathroom.

Restoration projects at the Hottenstein Mansion continue to need funding. Our contributions program assists with projects underway and planned to bring the Mansion and its associated buildings back to their historic grandeur. Dr. Reynolds interest -- his dream -- in preserving and restoring the Mansion will be helped with our donations.

Special procedures are established for contributions from Hottenstein family members and friends to be directed to Mansion projects. Checks are to be separately payable to the "Historic Preservation Trust of Berks County" and may be sent with the reservation form included with this newsletter, whether or not attending the Reunion. Contributions to the "Trust" are tax deductible and will be separately acknowledged.

2011 Hottenstein Mansion Trust Report:

Work Completed for 2011

The main focus for work this season was the completion of the Doctor's office exterior restoration. This building was in rough condition and had deteriorated significantly over the years. (Work associated with the exterior restoration is reported separately in this newsletter.)

A leaking downspout for the gutter on the rear of the main house was replaced in galvanized to match the existing gutter. This will eventually be replaced in copper. The rear window of the summer kitchen leaked from the top when it rained. A course of copper was added and mortar was applied to create a seal that now sheds water. The first floor toilet seal leaked. The floorboards flexed under the toilet which kept new seals from correcting the problem. The toilet was replaced and the floor repaired and strengthened from underneath to correct this deficiency. The Halloween snow storm caused damage to the pecan tree and a tree man was brought in to prune the breaks.

Work Anticipated for 2012

For 2012 the work will largely be indoors. There are several electrical problems that will be repaired and the water heater must be replaced. It turns out that the water heater was not wired properly and the breaker will need to be upgraded to a higher amperage. For the seven years I have lived in the house very little has been done to improve the interior. Our bathroom is embarrassing and this year it will be remodeled with a new toilet, a new tub surround, new floor, improvements in trim and baseboard, electric heat added, and a new tub enclosure, paint, and accessories.

Four+ Year Projection

Meetings with the Hottenstein House Committee were held about the ongoing damage to the house caused by the patio room and leaks that are causing plaster damage in both bathrooms and wood work decay in the first floor bathroom. I proposed that we tear down the patio room, demolish all the cement, re-establish the land topography, restore the well with a new well head, re-do the steps to the back kitchen door, and repair the damage to the house caused by this 1970 addition.

Since the project would alleviate ongoing deterioration, the committee agreed that we should seek support from the Preservation Fund that has supported other Trust projects. Unfortunately and to date, there has been no response to this initiative. The two to one match is needed to do this project correctly and restore this much altered part of the Hottenstein Mansion. Meetings are needed and requested to discuss Landmark status for the House.

The main objective over the next four+ years is to complete all exterior work needed to bring the mansion, historic outbuildings, garage and landscape back to excellent condition. Once all of the exterior work is done we will need to convene a committee to begin the process of evaluation the house interior and the treatment of some outbuilding interiors. Over a dozen projects have been identified to complete. These relate to the house, the privy, the root cellar, the garage, and landscaping.

Excerpted from the Annual Report for 2011 on the Hottenstein Mansion prepared by Robert Webster Reynolds, Ph.D. prepared for the Historic Preservation Trust for Berks County. The full report on the 2011 work, the proposed 2012 work, and the four year projection will be available at the Reunion or by contacting Terry Schnure.

2011 Hottenstein Family Reunion Meeting Minutes June 12, 2011, At the Mansion, Kutztown, Pennsylvania

The 75th annual reunion of the William Hottenstein family was held at the David Hottenstein Mansion, 15441 Kutztown Road, Kutztown, PA. There were 71 family members and guests in attendance and hosted by the residents of the mansion, Dr. Robert, wife Jennette and daughter Reanna Reynolds. In the mansion, displays of period items were set up; Dr. Rob Reynolds and his wife, Jeanette, explained historical features of the rooms and craftsmanship.

Following the blessing, a traditional meal was served at approximately 1:00 PM; this year, it included fresh local strawberries, short cake, and ice cream.

Business Meeting: The business meeting was called to order at 1:50 PM by Terry Schnure. He expressed thanks, on behalf of everyone attending, to Rob and Jennette Reynolds for their graciousness in hosting the Reunion and conveyed the appreciation of all, in being able to see the Mansion.

Secretary's Report: The secretary's report was accepted as presented in the previously distributed newsletter.

Treasurer's Report: The treasurer's report was explained by Jane Herlacher. In June 2010, there was a balance of \$2150; during 2010-2011, income was \$3259 and expenditures were \$2076. The June 2011 balance was \$3603. The sale of memorabilia and shirts assist in the expenses of the Reunion; the fees for the annual reunion picnic event are programmed to meet expenses for the event, e.g., the tent/canopy, the port-potty, the wagon transportation, and the catered food. Importantly, contributions received from family members primarily sustain the newsletter and support the newsletter and mailing costs. The contributions are greatly appreciated. In 2010-2011, Hottenstein family members and friends contributed \$1205 to the Historic Preservation Trust for Berks County by for the Hottenstein mansion.

Historian's Report: John L. Hottenstein presented the listing of family events distributed prior to the Reunion. Additional items were reported. The traditional period of silence was observed for family members who have passed away as we remember our earlier generations and their heritage in our family.

Program: Introductions included M. Harriette Hottenstein Rensch, the daughter of Dr. David Hottenstein; Susan Speros, a director of the Historical Preservation Trust of Berks County; and Dr. Klaudia, Major Travis, Gabriela, and Vernika Schick, residents of the William Hottenstein house located between Wyomissing and Reading. Mrs. Speros gave a detailed account of William's house. It was built in 1763, approximately 20 years before the Hottenstein Mansion was built in Maxatawny Township. Her research on "The Other Hottenstein House" was published in the Fall 2010 issue of the Historical Review of Berks County; this article was distributed. Many questions related to William and his relationship to his younger brother, David, who was in a position to remain with the mansion.

Dr. Robert Reynolds, the resident and curator of the mansion presented an update of the restoration work. Considerable work is to be done to restore the doctor's office. Dr. Reynolds also described that the structure between the kitchen and the summer kitchen was added at some time after the original house was built. Where the added structure and the original house are attached, there is considerable water leakage into the wall of the original house. To correct this, the added structure would have to be considerably altered or removed. Dr. Reynolds plans to remove this addition or make changes, at some point, and thereby restore the original design and/or stop the water entering the house.

In Dr. Reynolds remarks, discussion developed about the lands surrounding the Hottenstein mansion property and concerns about possible changes in land uses and the affects which could occur on the historical presence of the mansion. The several original Hottenstein properties surrounding the mansion and the site of the original cabin were reviewed. To assist in understanding the activities and activities occurring on neighboring lands, an Ad Hoc Committee on Adjoining Lands was formed, with those volunteering to contact Terry Schnure.

2011 Hottenstein Family Reunion Meeting Minutes ... continued from the previous page

New Business: The following actions occurred under the new business.

In recognition of the planned work on the restoration of the Doctor's Office and other projects, the Reunion made a \$750 contribution to the Historic Preservation Trust for Berks County.

The Officers as follows were re-elected:

President	Terry Schnure	Secretary	Russel Hottenstein
Vice-President	Bill Hottenstein	Treasurer	Jane Herlacher
		Historian	John L. Hottenstein

Family members at the Reunion were recognized with prizes for traveling the greatest distance, being the oldest man, being the oldest woman, and most grandchildren. The children received gifts.

Our next reunion will be held at the Hottenstein mansion on June 10, 2012

Adjournment: Meeting adjourned at 3:30 PM. Many stayed to visit and experience the Mansion.

Embroidered Sport Shirts with Hottenstein Coat of Arms

In recognition of the 75th Hottenstein Reunion last year, a sport shirt with the Hottenstein Coat of Arms was developed. The shirts will be available at the Reunion on June 10th and may be ordered for pickup at the Reunion or for delivery by mail.

The men's style has a two button placket, with a welt-knit collar and cuffs; the women's style has a feminine four button reversed placket, with a contoured welt collar and cuffs.

The shirts are \$28 each, (\$30 for 2x or greater). All standard men's and women's sizes are available. If shipping, the charge is \$6.

To request an order form, please check the box on the return registration form or otherwise print the form from the Hottenstein Web Site at: <http://www.hottenstein.org/Forms/ShirtMailOrderForm.pdf>

William Hottenstein Family History Available through Custom Binding

At the request of several family members, printing of the extensive history of the descendents of William Hottenstein, second generation continues.

To obtain information on the memorabilia and if ordering, please check the box on the reservation form or otherwise print the form from the Hottenstein Web Site at: <http://www.hottenstein.org/Forms/BookMailOrderForm.pdf>

Other Hottenstein Memorabilia

Tiles, mugs, prints, banners, all with the Hottenstein Coat of Arms, will be available at the Hottenstein Reunion or may be ordered.

To obtain information on the memorabilia and if ordering, please check the box on the reservation form or otherwise print the form from the Hottenstein Web Site at: <http://www.hottenstein.org/Forms/MemorabiliaMailOrderForm.pdf>

Ad Hoc Committee on Adjoining Lands

At the 2011 Reunion, an ad hoc Committee on Adjoining Lands was formed in response to possible changes in the uses of lands and the effects which could occur in the presence of the mansion. The volunteering committee members are Jane Herlacher, Bill Hottenstein, John Hottenstein, Bob Hottenstein, Russ Hottenstein, Harriette Rensch, Rob Reynolds, Pam Hottenstein, and Terry Schnure.

Since the 2011 Reunion, a public sale at the adjacent Gruber farm occurred on March 3. Russel Hottenstein, before the sale, was able to review the items which were being sold as they had been placed in the upper level of the barn on the property. In looking at the items in boxes, Russ indicated he would put the contents in the category of items accumulated by a family over a lifetime. He reached a conclusion that the Gruber family items were not anything of interest to our family. In attending the sale, his earlier conclusion was confirmed.

Philip Hottenstein Reunion, Sunday, August 19, 2012

by Lynne Fleming Wilburn

The 2011 Mid-West Reunion of the Philip Hottenstein Line will be held in Hickory Hill Park in Potosi, WI on August 19, 2012. The hosts are sisters Pat Hottenstein Moritz and Carol Hottenstein Cather, who are honoring their father, Theodore August Hottenstein, who passed on April 28, 1988. For more information, contact Pat Moritz, 563-359-1552 or Carol Cather, 563-324-0174.

A memorial tribute honoring Katheryn (Kay) Alva Young, of Merrell, Wisconsin is to be held at the Reunion on August 19th who passed away on February 11, 2012.

At the 2011 Reunion, The day was sunny, cloudless, upper 70's, a nice breeze, and no bugs! It was a made to order family reunion day. Kenny Hottenstein ordered up a very special day for his family. Hickory Hill Park in Potosi, WI was the site. Potosi is a very small village of around 300 and the population was expanded by 40 this Sunday afternoon as Hottenstein kin descended on the village for their 77th family reunion. Food galore and the cat fish special provided annually by Mervin

Siblings, Louise Smith and Pat Moritz

Hottenstein was center most and no one counted the calories this Sunday! Darling toddlers, two family dogs, one an new member of the Teddy Hottenstein family were in evidence.

Our hosts were members of Nora Hottenstein Jones family...Robert, Louise and Kay. Kay wrote and presented a poem that was lovely and Bob gave the welcome... a Tribute to Lois Hottensein, a stalwart member and great family communicator was written by Kay and read by Robert Jones. The grace was said by Al Schmidt, Louise's husband and then the fellowship began. Genie Fleming, Rose Hottenstein Fleming's daughter shared the three volume history she compiled and other family reunions were remembered.

The afternoon passed with lively conversations and invitations were extended to come to Sunday dinner and then the day was over. Several cousins lingered all expressing a reluctance to leave, as it was such a special day. I am sure there were many rides home that were quiet with reflection as the sun went down on another Hottenstein reunion.

Willoughby/Wilson Hottenstein Reunion, Saturday, July 14, 2012

by Howard and Laurie Hottenstein

The descendants of Willoughby (or Wilson) Hottenstein will hold their third reunion on Saturday, July 14th. This year, the location will be returning at West Bend at the Quass Creek "Doc" Gonring Athletic Complex, 2500 Country Creek Circle, in West Bend, Wisconsin. Bring a dish to pass and an optional gift for exchange and fun. For more information, contact Howard or Laurie Hottenstein, at 715-623-6844 or via email at bumalot@granitewave.com.

The descendants of Willoughby/Wilson Hottenstein, 2011.

In 2011, the reunion was held in Shawano, Wisconsin, the ancestral home of many in this line. Approximately 40 attended, spanning three generations with different families getting to better know one another, while enjoying food and more food and even more desserts. Games were played and prizes were awarded.

The relationship of Wilson Hottenstein to known immigrants is not known. Wilson was married twice. He was born in Kutztown, PA; his birthday has not been established. However, census records indicating Willoughby/Wilson was living in Greenwich Township, Berks County, PA with Isaac & Mary Swoyer, believed to be his maternal grandparents. Around 1890, Wilson and Kate settled in Shawano, WI where Wilson died on Sept 4, 1916, Kate died on Sept 17, 1931.
