

# *Hottenstein Lines*

May 2008

---

*Hottenstein Lines* is a newsletter of the Hottenstein Reunion for and about the descendants and many lines of ancestry of Ernst Von Hottenstein of Esslingen, Germany and descendants who immigrated to America. Presently, three immigrant lines are identified: Johann Jacob Hottenstein settled in Kutztown, PA, his nephew also Johann Jacob Hottenstein settled in Lancaster, PA, and a descendant Phillip J. Hottenstein settled in Gleason, WI. It is a newsletter that will be what we as descendants, spanning twelve (12) generations, make it. It is a newsletter to share the items of interest about our family and information about our annual reunion. At least one newsletter each year will announce the date and location of our annual reunion; additional newsletters will be prepared as information is developed or available. Your suggestions and articles are welcomed.

## **2008 Hottenstein Reunion Picnic to be Sunday, June 22nd, at the Hottenstein Mansion, Kutztown**

The 72<sup>st</sup> Hottenstein Reunion, the family picnic gathering, will be held on Sunday, June 22, 2008 at Hottenstein Mansion, on Route 222, east of Kutztown, PA. The Reunion will begin in the morning, with the catered picnic to be served at 1:00 PM. All are welcome.

This Reunion will build on the success and excitement of the reunion held at the Mansion last year. We have been invited by the curator of the Mansion, Robert Webster Reynolds, Ph.D., to visit the Mansion, which he describes as the home of the Hottenstein family. The Mansion is his home, as well. We will be the guests of Dr. Reynolds, his family, and the Historic Preservation Trust for Berks County.

In addition to visiting the Hottenstein Mansion, we will have the catered Family Picnic on Sunday at the Mansion. Arrangements are being made for a tent and shelter. This is a time when family members are able to visit, share experiences, and socialize. During this time, we will have our Reunion business meeting. Dr. Reynolds and his family will explain the home, period furniture, and Hottenstein artifacts displayed for the Reunion.

Plan to arrive in the morning to visit the Mansion; our picnic begins at 1:00 PM. The program and activities follow our picnic. Our program will include remarks by Dr. Reynolds on his role as

curator of the Mansion. Dr. Reynolds is on the faculty of Kutztown University where he is the Freyberger Professor of Pennsylvania German Culture, which includes the role of curator of the Pennsylvania Heritage Cultural Center.

Come and enjoy the fun of a picnic, visiting, meeting new friends, and sharing experiences and memories. Special Dutch food arrangements will this year again include home baked shoe fly pie.

It too is a time when we can meet others in our family, have mini reunions, as well as review and update our genealogy. We appreciate letters from those who cannot attend.

For additional information on the Reunion, please contact Russel Hottenstein at 610/944-8147 or Terry Schnure at 860/683-2385.

## **2007 Hottenstein Mansion Restoration, \$1,100 in Family Member Donations**

Through the generosity of Hottenstein family members and friends, \$1,100 was donated to assist in the Hottenstein Mansion restoration.

Dr. Robert Reynolds, in his annual report to the

Historic Preservation Trust of Berks County, has indicated the completion of a number of

restoration items. Materials and services were purchased with the donated funds.

Most of the restoration work was performed by Dr. Reynolds and student interns from Kutztown University. The cost of restoration work was significantly reduced by the labor of Dr. Reynolds and the interns where possible.

The main focus of restoration over the past year was work to stabilize decayed woodwork on the main structure of the mansion. Significant repairs were made to the window frames on the east side of the mansion and major repairs were made to the cornice on the east side. All external woodwork on the main structure was scraped, sanded, repaired with caulk and putty, and repainted. Window shutters were restored and re-hung on the front and gable sides of the mansion. New shutter dogs were either made to circa 1840 style or procured from other locations. All 22 double hung window sashes on the main structure were removed, scraped, primed, re-glazed, repainted and re-hung.

It was found that improper workmanship performed during repair work done in the 1960's had contributed to some of the deterioration and decay of woodwork. Protective moldings installed at that time over window and door frames have failed and allowed water entrance resulting in different cases of rotting. The decayed material was removed and epoxy fillers were used to repair the frames. The existing moldings have been replaced with copper moldings.

In addition, a small amount of work was performed to the doctor's office to evict the resident squirrels.

## **Mansion Restoration Priority in 2008, The Summer Kitchen Roof**

The number one repair priority is to replace the roof on the summer kitchen. The summer kitchen has a number of issues but primarily the roof is leaking so badly that it is affecting the internal walls. The roof material is slate and will require contractor assistance. This will be a focus of the continued contributions campaign for the Hottenstein Mansion from the members and friends of the Hottenstein Reunion.

The summer kitchen is part of the original structure and is important to the overall restoration of the mansion. One of the goals of Dr. Reynolds is to restore the room that is presently used as the modern kitchen to its original use. This would mean moving the modern kitchen to a different area and utilization of the summer kitchen space.

## **Contributions to the Historic Trust Directed to Mansion Projects Will Be Matched**

Restoration projects at the Hottenstein Mansion continue to need funding. Articles on this page describe work accomplished utilizing the 2007 donations and the priority for 2008 donations. Our program will assist with projects underway and planned to bring the Mansion back to its historic grandeur. Dr. Reynolds interest -- his dream -- in preserving and restoring the Mansion will be helped with our donations.

The Historic Trust, through its Board of Directors authorization, will match contributions dollar for dollar up to \$5,000 for a specific project proposed by Dr. Reynolds and approved by the Trust. This effort will enhance the vision in the gift of the Mansion to the Historic Preservation Trust.

Special procedures are established for contributions from Hottenstein family members to be directed to Mansion projects. Checks are to be separately payable to the "Historic Preservation Trust of Berks County" and may be sent with the reservation form included with this newsletter, whether or not attending the Reunion. Contributions to the "Trust" are tax deductible and will be separately acknowledged.

## 2007 Hottenstein Family Reunion Meeting Minutes July 29, 2007, At the Mansion, Kutztown, Pennsylvania

The reunion was held on the grounds of the Hottenstein Mansion, Kutztown, PA. Although the day started on the wet side, it turned out to be a beautiful day. Since the mansion is located very close to busy Route 222 and does not have much available space for parking, a church which is located about a half mile away allowed our family to park on their property. Reunion attendees were conveyed to the mansion via tractor and wagon by a local group who call themselves the Old Time Plow Boys.

The reunion began with a prayer offered by Fred Hottenstein that was followed by a catered meal consisting of baked chicken, baked ham, scalloped potatoes, green beans and glazed carrots. For dessert, there was shoe fly pie freshly baked by the New Jerusalem Lutheran church.

The business meeting was called to order at 2:20 P.M. Comments were made about being able to visit the Hottenstein Mansion and the graciousness of our hosts, Rob and Jeanette Reynolds. Many were seeing the Mansion for the first time and appreciated the displays of information. In addition, reference was made to the delicious meal and dessert. Over 100 family and friends attended.

**Secretary's Report:** The secretary's report was corrected to show the described trip to Germany was in 2004. The Secretary's report prepared by Russel Hottenstein was accepted as corrected.

**Treasurer's Report:** The treasurer's report for the period of July 1, 2006 to June 30, 2007 prepared by Jane B. Herlacher was accepted as follows:

**Historian's Report:** John L. Hottenstein reviewed areas of research in response to inquiries he had received during the past year. The listing of family events reported prior to the Reunion was distributed. Added event information was introduced to be listed on the 2008 Historian's report. A period of silence was observed for family members who have passed away or who are in our thoughts.

**Election of Officers for 2007:** The Officers as follows were re-elected:

President	Terry Schnure	Secretary	Russel Hottenstein
Vice-President	Bill Hottenstein	Treasurer	Jane Herlacher
		Historian	John L. Hottenstein

**Old Business:** Russel Hottenstein reported on the status of the proposal for a large "big box" development on 140 acres adjacent to Hottenstein Mansion and his testimony on behalf of the Hottenstein Reunion during the public hearings on the proposed development. He explained a conditional use permit had been issued for the development containing many conditions, including some designed to have assisted in protecting the historical significance of the Mansion. However and in consideration of the use requirements, the commercial developer subsequently withdrew the development application. Information on the development considerations and the outcome was distributed.

**New Business:** The following guests were in attendance and spoke to the Reunion:

Dr. Robert Reynolds, his wife, Jeanette, and their daughter, Reanna Dr. Reynolds spoke about the work on the restoration of the mansion which is underway and explained the lifetime lease he has with the Historic Preservation Trust for Berks County. While the Mansion was his home and an ideal arrangement for all his Pennsylvania German interests, he described the Mansion as the home of the Hottenstein family and he welcomed everyone to be at home when here. Separately, he explained research underway in the immediate geographic area to locate the original home site and other Hottenstein land holdings.

Irwin Miller and his sister, Eleanor Siegfried Irwin and Eleanor grew up in the Mansion and their family farmed the property. Irwin told stories of their experience growing up there, recalling experiences occurring in different rooms, with his inflection of "dutch" expressions.

Harriett Hottenstein Rensch Harriet, the daughter of Dr. David Fulmer and Mary DeTurk Hottenstein, spoke of her times in the Mansion during the 11 years her parents lived in the Mansion before transferring ownership to the Historic Preservation Trust for Berks County in 1976.

Wendy Cooper As a curator at the Winterthur Museum where the Hottenstein Mansion's grand ballroom woodwork is on display, she welcomed everyone to a special museum tour to view the woodwork display, whenever requested.

Eleanor Shaner and her husband, Richard Shaner Mrs. Shaner is a member of the Historic Preservation Trust and represents the Hottenstein Mansion at Trust functions.

Rob and Jeanette Reynolds expressed their pleasure in hosting the family reunion and invited the family to return for the 2008 reunion. The Reunion family responded enthusiastically to the opportunity be at the Mansion. The family again thanked the Reynolds family for their wonderful hospitality and displays prepared for this Reunion. A date in mid to late June 2008 will be selected.

The following family members were recognized:

Oldest Man – Dr. Robert Dix, 88 years young

Youngest Girl – Julie Weidman, 3 years

Youngest Boy – Hunter Burk, 7 years

The meeting was adjourned at 3:45 P.M; many stayed to visit and spend more time in the Mansion.

## Hottenstein Reunion, Wisconsin Line 2007 Reunion Report

Reported by Pat Moritz

The mid-west branch of the Hottensteins met on a mid August Sunday for their 73<sup>rd</sup> Reunion. Approximately 40 attended, with the usual good food and catching up with each other. Cousin Mervin Hottenstein (son of the 6<sup>th</sup> child Edmund Hottenstein) provided a roaster full of "his catch" of deep fried, locally caught fish - blue gills. Many other fixings rounded out the array of food which provided for a wonderful afternoon.

### Hottenstein Land Holdings, circa 1860

Dr. Robert Reynolds has also assembled information that circa 1860 there were nine Hottenstein families living on adjoining Hottenstein farms, in Maxatawny Township. Seven of these houses still exist. In addition, Dr.

Dr. Robert Reynolds, 2007 Reynolds has evidence of the location of the first house built by the immigrant. It is located on the adjacent Gruber, adjacent to the Mansion. The information he has shows that this was one of the two first landholdings granted in Maxatawny Township. Dr. Reynolds will further explain the research on the land holdings in the area of the Mansion at the Reunion picnic.
